Kia ora e te whānau,

We've reached the end of a busy Term 3! Thank you for the support you have given our tamariki and kura. We wish everyone a safe and restful holiday, and look forward to welcoming you back for Term 4.

Fiafia and Emergency Preparedness Day

A big thank you to the whānau, community groups and staff who helped make our Fiafia and Community Emergency Preparedness Day so special. It was wonderful to see our tamariki perform and our community come together to share kai, connect and learn.

Lost Property

Please check lost property before the holidays. We have lots of jerseys and other belongings waiting to be collected.

Ideas for the School Holidays

There are plenty of simple ways to enjoy time together close to home:

- Have a "catch the train" day and explore somewhere new.
- Visit your local library and check what school holiday activities are on.
- Pack a picnic for Rānui Domain.
- Spend some time at the playground by Marnich Gardens.

Attendance

A gentle reminder about the importance of attendance. Being at kura every day makes a big difference for our tamariki socially, emotionally, and academically. If your child is going to be away, please make sure you let Whaea Tania know as soon as possible so we can keep our records up to date and support where needed.

If your child is away please let the office know. You can do this by...

- Replying to the school text
- Phoning the school on 833-6286
- Sending a note to school with another family member or when your child returns to school.

Roadside

A friendly reminder to all whānau to please have tamariki exit vehicles on the footpath side whenever possible, rather than stepping out onto the road.

The few extra seconds it takes can make a big difference in keeping our children safe, especially during busy drop-off and pick-up times. Exiting on the footpath side helps reduce the risk of tamariki stepping into traffic or between moving vehicles.

Being Good Neighbours

As we begin Term 3, we'd like to remind all whānau to please be considerate of our neighbours when dropping off and picking up tamariki around our kura, particularly on **Rānui Station Road and Marinich Drive**.

Please ensure driveways are kept clear and avoid parking on lawns or berms, or stopping in places that may inconvenience local residents. We know the school gates can get very busy, so if it means parking a little further away and walking a few extra metres, we really appreciate your support.

A helpful question to ask ourselves is:

Would I be happy if someone parked like this outside my home?

**PLEASE BE
CONSIDERATE OF
OUR RESIDENTS
AND
OUR NEIGHBORS**
