Our focus for this week and next is ‘Mahitahi’ or ‘Harmonious’. We are focusing on our tamariki working together and accepting others’ uniqueness in our place of learning. At home discuss and practice ways of overcoming differences. How do you do it?

**At the gate**

We are seeing a big difference in whānau keeping our tamariki safe ‘At The Gate’. Keep it up especially during the wet and stormy days.

**Attendance at Rānui School**

This term our overall attendance percentage was **75.5%**. The weather is starting to get colder and we are seeing a lot more rain. Please keep bringing your tamariki to school. We will keep them warm inside the classroom if it is too wet to play outside.

If your child is away please let the office know. You can do this by...

- Replying to the school text
- Phoning the school on 833-6286
- Sending a note to school with another family member or when your child returns to school.

**Reporting to Parents**

Please keep an eye out for your child’s Term 2 Progress Report. It will come home in Term 3 Week 1 and report on their progress for the first half of the year. It will show how their progress is tracking and inform you of what they can do well and what their next learning steps are.

We are following up your child’s report by having another round of Whānau Conversations early in Term 3 Week 2 on the 26th of July and the 27th of July. This is a good chance to talk about your child and ask any questions that you may have. Please keep an eye out for further pānui about this.

**Training Teachers**

At Rānui School you may see training teachers from time to time. This is a real compliment to our expert kaiako that we have here. While the training teachers are here they learn about good practice in the classroom. Throughout this term we have had three training teachers so far, Whaea Whina, Whaea Te Miringa, Whaea Jamie

## Western Zone Primary Rugby League Tournament

On Tuesday Rānui School sent 2 rugby league teams to the Auckland Rugby League Western Zone tournament. The players selected to represent our school had been working hard over a number of weeks. Their commitment and passion showed on the day.

I am extremely proud of the level of respect, attitude and sportsmanship they displayed both on and off the field. This was our first time entering in the tournament and we look forward to continuing on for more years to come.

Each team had a high level of skills and talents and making the decisions about who is to be awarded with most valuable player, best defense and the sportsmanship award was difficult.

### Under 45kgs

The Under 45kgs played their first game with only 10 players. With over half the team having league backgrounds and no subs they knew that every player needed to do the job. Super back-up Mia Clark came through with her supportive tactic and made-up the 11-man squad and what an impact she was. The whole team showed great comradery throughout the tournament.

Under 45kgs: Undefeated  
Best Sportsmanship: Tane Waitai & Edwin Henry-Taua  
Best Defense: Eli-Jay Yew  
Most Valuable Player: Victory-Tauvale Mulitalo  
Captain: Victory-Tauvale Mulitalo  
Open Weight  
Open Weight: 3 wins, 1 draw, 1 loss  
Best Sportsmanship: Tazman Lord  
Best Defense: Brenda Mulitalo

Most Valuable Player: Vaitaki Sale & Aaliyah Ratumaitavuki-Naqau  
Captain: Brenda Mulitalo

Special mention to Maya-Lili Lambert who was awarded player of the tournament for the Under 45kgs grade by the Auckland Rugby League officials.

Captains: Victory Mulitalo (Under 45kgs), Brenda Mulitalo (Open Weight)

# Matariki breakfast

Te Whakatipu Kāhano had breakfast on Friday to celebrate Matariki. Our parents came in and cooked our breakfast of: Weetbix, porridge, sausages, bacon, scrambled eggs, baked beans and spaghetti and toast. Everyone enjoyed their breakfast. We all had karakia together and ate together.

## Matariki disco

On Friday night, disco night, what a blast just what we were hanging out for, just to let loose and have fun. We had a great turnout, our DJ was on and had plenty of spot prizes to giveaway, the food was so good that we ran out. Our children dressed to the nines, they looked awesome.

### Keeping up with... Tūi 3

**Goal for the day:**  
Understand the basics of news reporting, camera shots/angles and how to interview people.

**What we learnt**  
Taking on roles to capture camera angles and shots and say what they are used for.  
Learned how to ask questions when interviewing someone and tried using the green screen to add a background to their interview.  
Planned for broadcasting a news report about events or issues within our kura.

**Questions to ask:**  
1. Name some camera angles and shots  
2. What are some elements of a news report?
