**'Mā te huruhuru, Ka rere te manu'**

Term 4 is a busy term for all of us. We have prize givings and celebrations galore. Please keep an eye on what is happening. You can do this by:  
Going on our Facebook Pages

Going on our Calendar on our website

Reading our Newsletters

### **Attendance at Rānui School**

Our overall attendance percentage for the past 2 weeks was 82%.

Our attendance has started creeping up this term which is great. It is the last term of the year. So keep up the great work and send your kids to school.

If your child is away please let the office know. You can do this by...

- Replying to the school text
- Phoning the school on 833-6286
- Sending a note to school with another family member or when your child returns to school.

### **Walking Home**

Please make sure your tamariki know to go straight home. Teach them to ask you for permission before they go to their mates house.

### **Summer Swimming**

Our tamariki are loving having the swimming pool this term. Here is a photo below of tamariki having fun.

### **Hot Weather and Hats**

Please remind your tamaiti to bring a hat (pōtae) to school so they are safe when playing outside the classroom.

### **Marinich Drive**

The gate at Marinich Drive will be open in the morning and after school. Hopefully this will release pressure in the cul-de-sac so please take advantage of this.

### **Mana Ora**

Mana Ora is a programme we use at school to help our taura recognise their feelings and talk about what is happening and how they can be helped to get back on track or reset their goals. Our tamariki do this every morning and throughout the day. Here are some senior classes checking in, in the morning.

### **On Patrol for 2024**

Although this school year is starting to wind down, we start planning for next year. Constable Jude has been in already training some of our Year 5 tamariki for Road Patrol in 2024.

## Athletics Cluster 2023

On Thursday 16th November, the Ranui athletics team participated in the Henderson Sports Cluster at Trust Stadium. We took a strong 48-man team and all of them represented our school with pride and respect.

Each student contributed to our success of placing 2nd at the Henderson Athletics Cluster.

Special mention to our parent helpers for all the support and encouragement on the day.

Keeping up with...  
**TU1**

**What we did:**  
**Play-Doh Challenge**  
 Students used the Stop-Motion app to create a video of Play-Doh rolling around, growing and moving.

**Stop-Motion Videos**  
 Students planned and created stop motion videos using the Lego.

**Minecraft**  
 Students used coding to instruct their character to complete missions.

## Kererū Trip to Rangitoto Island

On Thursday 30 November, Kererū went on an exciting trip to Rangitoto Island. They went to see the connection to Te Kawerau a Maki. They looked at all the Pohutukawa trees that were growing on the island and the little batches that are still on the island. They had an awesome day!
