One of the pou in our kura is 'Harmonious'. We all come across challenges and conflict in our lives but it is important to learn to get along with others. This is easy to say but it requires us to have a lot of strategies and tools to draw on.

At Rānui School we use a programme called Mana Ora to help a tamariki to acquire and put these tools into place. A part of this is having open conversations and being active listeners, this provides a safe space for students to share their feelings and resolve conflicts peacefully, fostering a culture of respect and empathy.

Later on this year Whaea Allisa will be having a parent evening to talk more about it. If you would like to know more and even put it into place at home please book an appointment with either Whaea Allisa, Whaea Cindy or me.

Education Outside the Classroom

Our tamariki have started venturing out and experiencing a range of activities that help to consolidate new learning. So far they have had a fantastic time going camping and sailing. Te Whakatipu Kākano ventured to Takahiwai on their noho marae, last week

Attendance at Rānui School

If your child is away please let the office know. You can do this by...

- Replying to the school text
- Phoning the school on 833-6286
- Sending a note to school with another family member or when your child returns to school.

It is really nice to see our tamariki coming to school everyday. Our overall attendance percentage for the past 2 weeks was 86%. Keep up the good work whānau, we really appreciate it.

If your tamaiti is away, it is important to let us know. Even if on their return to school.

Whānau Conversations

Just a reminder we have Whanau Conversations on;

Wednesday 10th April– 9am to 7:15pm

Thursday 11th April - 9am to 3:30pm

Please mark these days on your calendar because on these two days the whānau conversations are scheduled throughout the school day. Rānui Primary School will only be open for you and your own child/ren at the confirmed scheduled time during these days.

Please make sure your tamaiti has a named hat to wear at playtime.

Strawberry Picking: By Kaleido, Kahu 4

I went strawberry picking with the Dynamix school holiday programme. I got a bucket and picked 56 beautiful strawberries. Then we used the strawberries to make tasty ice cream. They make ice cream out of milk, sugar, vanilla ice cream and strawberries then put chocolate on top. Next we sat down to eat our ice cream, it tasted cold, sweet and creamy. Then we packed up to go home. I think strawberry picking is fun, I like strawberry picking and taking the extra strawberries home to share.

Thank you, Matua Dean, for making the Kererū marble run. We really appreciate it. Here are some rules we came up with.

Keep the marble run clear of rubbish.

Only use small balls in the marble run.

Take Turns on the marble run.

Don't climb on the marble run.

Please return the balls.
